

## TANZANIA

### Customised Tours

5 Nights/6 Days

Tanzania is the biggest (land area) among the East African countries (i.e. Kenya, Uganda and Tanzania). Tanzania has a spectacular landscape of mainly three physiographic regions namely the Islands and the coastal plains to the east; the inland saucer-shaped plateau; and the highlands. The Great Rift Valley that runs from north east of Africa through central Tanzania is another landmark that adds to the scenic view of the country.
